Project Hope of Easton

"A gift of giving is a gift of love."

November 2010

Project Hope of Easton:

Since 1987, Project Hope of Easton has provided less fortunate people in the Easton community with a complete Christmas holiday dinner, holiday gifts for the children, access to warm winter clothing, and a grocery bag of food items to take home. Since its inception, Project Hope has grown to serve approximately 400 people from local shelters and housing projects in the surrounding area. This is all made possible through generous donations.

For the last few years, Our Lady of Lebanon Maronite Catholic Church at 54 South 4th Street in Easton has graciously allowed the use of their kitchen and auditorium for the dinner. A large crew of volunteers does the cooking of this complete holiday dinner, sets up, serves the dinner, wraps presents, supervises the distribution of all the donations, and cleans up. This entire project relies on donations and volunteers, all which vary from year to year. This year the dinner will be held on Sunday, December 12th.

We hope you will join this opportunity to bring the true spirit of holiday giving by donating a gift of money, new clothing, or new toys. Please be assured that your contribution will be put to good use to provide help to individuals in need of assistance right here in our community. If a donation needs to be made through a 'not for profit' organization, the College Hill Presbyterian Church has made their numbers available to Project Hope. A check can be written to "College Hill Presbyterian Church" in Easton and we will be glad to pick it up. Please identify 'Project Hope' on the "for" line of the check.
